

Welcome to the SHS Instrumental Program

Dear New and Prospective Parents, Guardians, and Students,

Thank you for taking the time and opportunity to learn more about the Sequoyah High School Instrumental Program! Every link within the 'Organizational Handbook' is designed to give you as much information and answer all your questions about our program. Once you have 'surfed' our site and feel that you have more questions please feel free to contact any of the people listed under the Staff or MABC (Musical Arts Booster Club) officers. They have telephone numbers and email addresses available and will be happy to answer any additional questions.

There are several links that provide an overview of our program and others that offer specific details of everything we do throughout the school year (and summer). Please take the time to look over the 'Calendar of Events' and next year's dates to aid in making an informed decision for you and your child. There are many outstanding organizations here at Sequoyah and I always advise students to "go where their interest lies" (and we hope we are your interest!). Also please view the link to "4 Years of Fine Arts Electives" to see how it's possible to remain in the Fine Arts program for 4 years and complete all requirements for the college prep seal.

The Instrumental Music Program at SHS is one of the most well-balanced programs at school. Participating in musical activities reinforces team work, communication skills, self-discipline, and creativity. We provide musical experiences, travel opportunities, leadership training, resume building opportunities (colleges and universities weight musical organization experience very highly), and most importantly, a peer group to help you immediately make the transition into high school.

Come join the adventure!

David E. Harrison
Director of Bands and Orchestra
